

I like dogs.

Cats are nice.

The cheetah is the fastest land animal.

Elephants live in Asia and Africa.

I think tigers are mean.

Some snails have hairy shells.

An octopus can taste with its arms.

Giraffes have black tongues.

A group of rhinos is called a crash.

Crocodiles can live to be 100.

A butterfly can taste with its feet.

Wombat poo is cube shaped.

I think a lion can run the fastest.

My favourite animal is a rat.
