

**OLDFIELD BROW HOUSE
CREST COMPETITION 2022**

This year, every child in Years 1 to 6 will have the opportunity to immortalise themselves in Oldfield Brow History...

We want to place greater importance on our team houses and our values both as part of each house and as part of our whole school.

We would like you to choose one (or more) quarter(s) of your house crest to design. But first you need to know a little more about the way we are developing your houses.

<u>Colour</u>	Blue	Green	Yellow	Red
<u>Element</u>	Water	Earth	Air	Fire
<u>Mascot</u>	Makara	Faun	Peryton	Phoenix

Each house has been assigned an element and mythological mascot connected to that element. This element and mascot will make up two sections of your house crest – the third will be your house motto... you might make this up or find inspiration from one that exists. Remember it must fit in your crest – nothing too wordy!

**MAKARA
X**

FAUN

PERYTON

PHOENI

Each section of your house crest will need a design to represent either your element, mascot or motto. The bottom left quarter will be the same across all houses... our school badge.

Your teachers will provide you with the section of the badge you wish to design. You can choose more than one section but remember – quality over quantity!

Entries **MUST** be returned by Friday 16th September.

You can use any medium you choose to create your design – consider that it must be replicated on a larger scale to go up on displays in school.

There will be prizes for winning entries and of course, the glory and legacy of your immortalisation (that means you'll be remembered FOREVER) in your house and school history.

Watch this space as
we continue to
develop our school
houses...

The search for house
captains will
commence very
soon!
