

# OLDFIELD BROW PRIMARY SCHOOL

**On Monday 8th March, Oldfield Brow Primary School will open for all pupils. We have missed you all and look forward to seeing everyone once again.**

When we reopen, we will do so being very aware that this pandemic is not over but also we are consciously working towards a normal school routine facilitating a return to work for many parents. This, as it is nationally, will be a gradual process.

On Monday 8th March, we will carry on where we left off. There will be separate start and finish times, drop-off and pick-up entrances for different classes. To avoid confusion, these times and places will be the same as they were in the Autumn Term. A reminder of this information is

contained within this guide.

However, there will also be changes so that parents can utilise their time to maximum benefit also. Of immediate effect will be that all parents can access Breakfast Club and After-School Club provision. To book a place at Breakfast Club, you must do so (as previously) by contacting the school using the email [Breakfastclub@oldfield-brow.com](mailto:Breakfastclub@oldfield-brow.com) Similarly so, to obtain a place at After-School Club, contact the owner, Julie Battle on 07753637745. This facility will help those parents with difficulties in picking up/dropping off siblings withy different start/finish times.

Children using these Wrap-Around facilities will be kept in bubbles reflecting their ages i.e. EYFS, KS1, Lower KS2 and Upper KS2. This system has worked well throughout the pandemic.

As time goes on, we will slowly change the way in which the school operates. Initially when the children rejoin, they will be kept within their own class

groups for lessons and for play too. But as we move forwards, opportunities for parallel classes to work together, play together, eat together etc will be developed and slowly we will return to school life as we all remember it. However, until guidance changes, we cannot host parents' events, school shows, Showing Assemblies and school-wide activities such as Choir and Whole School Assemblies. It is also likely that bubble-based after school outside activities can resume again soon (eg Football, Racquet Sports, Netball etc.) but this depends on the take-up of these opportunities from parents themselves. On all of these and other matters, we will keep you updated when new information is made available to us.

Children and families returning from abroad will have to follow quarantine guidelines on return. We ask that parents returning from broad contact the school to appraise us of their quarantine situation and follow the appropriate guidance.

Please could parents also remember the following important points:

- If you need to contact a teacher, please use email wherever possible.
- All adults should wear a face-covering, where appropriate, when at or near school.
- Please do not be too early or late for school. Keeping on time also helps keep us apart!
- Please remember the 2m social distancing rule between adults
- Any child showing any Covid symptoms should not attend school and the office be informed.
- If anyone in your home shows any Covid symptoms, your child should not attend school.
- If a child shows any Covid symptoms whilst at school, parents will be contacted and asked to collect their child immediately
- Each child will need a named water bottle

We ask ALL parents to watch again the video <https://youtu.be/eVFWJoLbfXw> made for the return we had in September. Much of the detail remains unchanged including the one-way system that helps us all and we ask you all to follow.

**Friday 5th March - REMOTE LEARNING** - For children receiving home learning, work will be prepared and distributed as normal but there will be no zoom sessions and 'phone calls etc. made that day as all staff will be required in school.

**KEY WORKER/VULNERABLE CHILDREN:** We ask parents whose children have a place at school on Friday 5th March to try and find alternative provision for their child on this day if they can. If this is not possible, we can

cater for your child within school as normal but any help in reducing numbers would be very much appreciated.

CLASS NAME	START TIME	FINISH TIME	ENTRY/PICK UP POINT
NURSERY	8.40	3.00	New Nursery Gate for Entry Early Years Garden Gate for Pick-Up
