YEAR 5 BOOK BUZZ READING RECORDS

Both classes are now set up for the Padlet Book Buzz. Use the link below to go to your class Padlet page and add a post to show what you are currently reading. Please record all reading (including books from home we don't always get to hear about). Please make sure you let us know how many pages you have read so far (and how many since your last post if you are in 5RC). Remember to read the questions that your teacher has asked you to answer in your post – they are at the top of the Book Buzz page.

It is simple to use. Do not buy or download the app. Just :

1) follow the link:

5RC <https://padlet.com/rchetwyn/v4t8izpqwakv6vmy>

5FB <https://padlet.com/fbowes1/uw2v14ffdurl45to>

2) press the + sign

3) put your first name where it says Subject,

4) click on the insert picture icon and search online for your book-cover

5) then when it asks you to write something beautiful, tell us all the name of your text, which page you're up to, the bookband colour and then answer the question of the week.

Please no SURNAMES, PHOTOS of yourself or VIDEOS, or messaging. This platform is only to share our love of books. Please do not share the Padlet outside of our safe Year 5 community and be respectful. Our Book Buzz Padlet should be lots of fun.
