

# YEAR 6 BOOK BUZZ READING RECORDS

We are launching our Padlet Book Buzz Reading Record today. Please record all reading (including books from home we don't always get to hear about) We are trialling this new way of recording to breathe energy into recording our reading journeys and to share our love of reading within our Y6 reading community. You can submit just one post if you wish to cover your whole week's reading or more often if you wish. We want you to love reading itself and not have to spend hours writing up records. The padlet will be monitored, stay live all week and be updated on Friday evenings. A new question will be added each week for you to answer with your posts.

It is simple to use. Do not buy or download the app. Just :

- 1) follow the link <https://padlet.com/year6sb/gfi4kf8xh4cu823a>
- 2) press the + sign
- 3) put your first name where it says Subject,
- 4) click on the insert picture icon and search online for your book cover
- 5) then when it asks you to write something beautiful, tell us all the name of your text, which page you're up to, the bookband colour and then answer the question of the week.

I've posted mine already if you want to take a look. If you want me to remove a post just let me know. **Please no SURNAMES, PHOTOS of yourself or VIDEOS, or messaging.** This platform is only to share our love of books. Please do not share the Padlet outside of our safe Year 6 community and be respectful. Our Book Buzz Padlet should be lots of fun.
